MEMORANDUM OF AGREEMENT made this 9th day of August, A.D. 1950.

BETWEEN:

The Government of the Dominion of Canada, represented herein by the Honourable Stuart S. Garson, K.C., M.P., Minister of Justice,
OF THE FIRST PART

and

The Government of the Province of British Columbia, represented herein by the Honourable Gordon Sylvester Wismer, K.C., Attorney-General of British Columbia, OF THE SECOND PART.

WHEREAS Section 5 of the Royal Canadian Mounted Police Act, being Chapter 160 of the Revised Statutes of Canada, 1927, as amended is as follows:

“5. (1) The Governor in Council may enter into arrangements with the government of any province of Canada or, with prior approval of the Lieutenant-Governor in Council of any such province, with any municipality thereof, for the use or employment of the Force, or any portion thereof, in aiding the administration of justice in such province or municipality, and in carrying into effect the laws of the legislature or municipality thereof respectively; and may, in any such arrangement, agree upon and determine the amount of money which shall be paid by the province or municipality as the case may be, for such services of the Force.

“(2) There may be included in any such arrangements provisions for the taking over by the Royal Canadian Mounted Police Force of such officers and men of any provincial or municipal police force, respectively, as may be required, and for the extension to such officers and men of any provincial, but not to the officers or men of any municipal, police force, of the pension benefits provided for officers and constables of the Royal Canadian Mounted Police Force, upon such terms and conditions, including recognition of prior service, as may be approved by the Governor in Council and agreed upon between the Dominion Government and the Government of any province.”

AND WHEREAS it is the desire of the Government of the Province of British Columbia for the Royal Canadian Mounted Police to take over from the 15th August, 1950, the duties at present being performed by the British Columbia Provincial Police, and to enter into an agreement for a six year period from the 15th August, 1950, similar to that arranged between the Federal Government and other Provinces, upon the terms and conditions hereinafter set forth.

NOW THEREFORE THE PARTIES HERETO MUTUALLY COVENANT AND AGREE AS FOLLOWS:

(1) The Royal Canadian Mounted Police shall be and remain a Dominion Force, and shall be entirely under the control of the Dominion Government, except as provided in the immediate succeeding paragraph.

(2) As and from the fifteenth day of August, 1950, the Royal Canadian Mounted Police shall undertake the duties of policing the Province of British Columbia and shall perform all the duties and services of a law enforcement nature formerly undertaken by the former British Columbia Provincial Police including the transportation of prisoners by the Royal Canadian Mounted Police, and any additional police duties, which, by mutual consent are agreed upon to be those which would have been assigned to the said Provincial Police in the ordinary course of events, in accordance with the wishes and under the direction of the Attorney-General of the Province of British Columbia, in the same manner and to the same extent as if the British Columbia Provincial Police were still in existence, and carrying on the duties heretofore assigned to them, with the exception of such duties as are referred to in paragraph (17) or may hereafter be subject to agreement with respect to the payment of an additional cost which may be involved in the performance of such duties; provided, however, that in all matters relating to the enforcement of Federal Laws where Doukhobors are concerned, the Minister of Justice shall be consulted and no action in that regard shall be taken by the R.C.M. In the event of the strength of the Force in British Columbia being increased or decreased as provided by this paragraph, there shall be a corresponding increase or decrease in the amount to be paid by the Province of British Columbia subject to the provisions of paragraph (5) relating to new detachments. Notwithstanding the provisions of this paragraph, it is understood that in the event of the expiry or cancellation of a municipal police contract at any time, the total strength shall be decreased by the numbers of police employed in the municipality immediately prior to such cancellation.

(5) The Royal Canadian Mounted Police shall maintain in the Province of British Columbia approximately one hundred and twenty-four (124) detachments, but where the Province of British Columbia requests that any additional detachments in excess of one hundred and twenty-four shall be established, the Province shall, in addition to the fourteen hundred dollars (\$1,400.00) per man per annum referred to in paragraph (6) of this agreement, pay to the Dominion Government the sum of seventeen hundred dollars (\$1,700.00) per annum in respect of each such additional detachment.

(6) Subject to the provisions in the other paragraphs of this agreement, the Province of British Columbia agrees to pay to the Dominion Government the sum of seven hundred and seventy thousand dollars (\$770,000.00) each year by semi-

annual payments to be made on the 1st day of March and the 1st day of October in each year beginning the first semi-annual instalment on the 1st March, 1951; provided that the said cost, which is based on fourteen hundred dollars (\$1,400.00) per man per annum, shall be subject to review every three years and in the event of any change being necessary by mutual consent a corresponding increased or decreased rate shall be substituted for the rate of fourteen hundred dollars (\$1,400.00) per annum for the purpose of calculating the amounts payable thereafter by the province under this paragraph. The payment shall be made in favour of the Receiver General of Canada and deposited to the Consolidated Revenue. The aforesaid payments shall include and provide for the cost of transportation and maintenance of prisoners by the Royal Canadian Mounted Police Force.

(7) It is agreed that in any prosecutions arising out of Dominion enactments, other than the Criminal Code, which are instituted or prosecuted by a member of the Royal Canadian Mounted Police, and where none of the costs of prosecution is borne by the Dominion Government, such prosecution shall be deemed to have been instituted at the instance of the Province of British Columbia within the meaning of Section 1036 (b) of the Criminal Code.

(8) The headquarters of the Royal Canadian Mounted Police in the Province of British Columbia shall be at Victoria, British Columbia, or such other point as may from time to time be agreed upon between the Commissioner of the Royal Canadian Mounted Police and the Attorney-General of the Province.

(9) The Assistant Commissioner or other Officer Commanding of the Royal Canadian Mounted Police in British Columbia in carrying out this agreement shall act under the direction of the Attorney-General of the province without reference to the Senior Officers of the Force at Ottawa, except where Federal Statutes other than the Criminal Code of Canada or Federal Police duties are concerned, and in such cases where additional services are required or additional expense involved as provided in paragraph (17).

(10) The conditions regarding the seniority and prior service of the former members of the British Columbia Provincial Police shall be as agreed upon between the Commissioner of the Royal Canadian Mounted Police and the Honourable the Attorney-General of British Columbia.

(11) In places in the Province where the Government of the Dominion presently owns suitable quarters these quarters shall continue to be occupied by the Royal Canadian Mounted Police. In places where the Provincial Government presently owns suitable quarters, the Dominion Government may acquire same by lease or purchase upon such terms and conditions as may be mutually agreed upon. In places where the Dominion Government leases the quarters occupied by the Force and the Provincial Government owns quarters at such point, the quarters owned by the Provincial Government shall be used by the Force if such quarters are satisfactory to the Government of the Dominion. In case the Dominion Government desires to establish permanent quarters at the point where the quarters are leased from the Provincial Government under this agreement the Dominion Government agrees to purchase from the Provincial Government the quarters so leased, provided that terms, mutually satisfactory to the parties, can be agreed upon.

(12) All arms, equipment, furnishings and supplies of every description of the British Columbia Provincial Police which are suitable for the use of the Royal Canadian Mounted Police, shall be taken over by the Government of the Dominion at a price to be mutually agreed upon, and the "agreed-on" price shall be payable in three equal annual instalments on the 1st day of October in each successive year, beginning the first payment on the 1st day of October, 1950.

(13) As the present rates of pay and allowances of some members of the British Columbia Provincial

Police are difficult to fit into the ordinary rates of the Royal Canadian Mounted Police for the same or corresponding ranks, and some two hundred and ten (210) members of the former force would be adversely affected financially without some adjustment on becoming members of the Royal Canadian Mounted Police, it is agreed that the Marital Status of the said members of the British Columbia Provincial Police and their rates of pay and allowances on entering the Royal Canadian Mounted Police shall be those agreed upon between the Commissioner of the Royal Canadian Mounted Police and the Honourable the Attorney-General of the Province of British Columbia, notwithstanding anything to the contrary in the Royal Canadian Mounted Police Rules and Regulations.

(14) All personnel taken over from the British Columbia Police Force who make or cause to be made payment to the Dominion Government of the amount fixed by the Commissioner of the Royal Canadian Mounted Police as the sum required to place them in good standing under the pension provisions of the Royal Canadian Mounted Police Act and the Dominion Civil Service Act on the basis of the British Columbia Provincial Police service shall thereafter be entitled to credit for pension purposes for all service performed prior to the commencement of this agreement with either the Royal Canadian Mounted Police or the British Columbia Provincial Police. Where the amount now at the credit by way of employer and employee contributions to the Provincial Superannuation Fund, which is subject to transfer to Canada under this paragraph, is insufficient to place such personnel in good standing for the purposes of the Royal Canadian Mounted Police Act and the Dominion Civil Service Act, the Province will pay to the Dominion such amount for that purpose as may be mutually agreed upon.

(15) In the event of any officer or man taken over from the British Columbia Provincial Police not making payment to the Dominion Government of the sums required to place him in good standing under the provisions of the Royal Canadian Mounted Police Act or if the British Columbia Government does not make the payment for him, such officer or man shall only be entitled to credit for pension purposes for such service as may be performed by him subsequent to the said 15th of August, 1950.

(16) In the event of the services of any officer or man of the British Columbia Provincial Police taken over by the Royal Canadian Mounted Police under this agreement being for any reason terminated before such officer or man becomes pensionable, he shall be entitled to a refund of such part of any sum paid by him under Section 14 of this agreement as the Commissioner of the Royal Canadian Mounted Police may consider fair and equitable in all the circumstances of the case, and as the Government of Canada may approve.

(17) If an increase in the strength of the Force is necessary at the request of the Attorney-General of British Columbia in the case of a general strike or other serious emergency due to floods, cyclones or similar disaster or to distress among the inhabitants of the Province or any prolonged civil disturbances, then the Dominion Government agrees to increase the strength of the Royal Canadian Mounted Police Force in the province at the request of the Attorney-General, in order to adequately deal with the emergent situation and the consequent increase in the amount to be paid shall be such as may be mutually agreed upon between the Attorney-General of the Province and the Minister in control of the Force.

(18) If new legislation is enacted by the Legislature of British Columbia, the enforcement of which causes an increased expenditure by the Government of the Dominion of Canada in carrying out the provisions of this agreement the said increased expenditure will be borne by the parties hereto in such amounts as are mutually agreed to by the parties hereto.

(19) It is understood that all expenses for general police investigations within the Province of British Columbia up to the time of trial in the case of indictable offences and up to the time of conviction in the case of offences punishable on summary conviction shall be a charge against the Royal Canadian Mounted Police with the exception of expenses incidental to the transportation and maintenance of prisoners and mentally diseased persons, all expenses, fees and costs incurred at or after trial or in the case of offences punishable on a summary conviction, after the conviction shall be borne by the Province. The costs of the return from outside Canada of prisoners who are required by the province or any municipality in British Columbia shall also be borne by the Province.

(20) It is agreed that the total number of men annually recruited for service in the Royal Canadian Mounted Police throughout Canada, there shall be recruited such number of men in the Province of British Columbia as will bear the same ratio to the total number recruited throughout Canada, as the total number of Royal Canadian Mounted Police employed in the Province of British Columbia for policing said province under this agreement, bears to the total number of Royal Canadian Mounted Police throughout Canada.

(21) It is further agreed that the Royal Canadian Mounted Police shall take over from the British Columbia Provincial Police all the duties in municipalities undertaken by the said British Columbia Provincial Police, through contracts or agreements at present in force between the said municipalities and the Government of the Province of British Columbia, upon the understanding that in all cases where a municipality is called upon to pay more than fourteen hundred dollars (\$1,400.00) per man per annum by such contracts or agreements for the services of a member of the British Columbia Provincial Police Force or its successor—the Royal Canadian Mounted Police—the amount in excess of fourteen hundred dollars (\$1,400.00) per man per annum from the 15th August, 1950, shall be forwarded in each case to the Commissioner of the Royal Canadian Mounted Police for deposit to the credit of the Receiver General of Canada, during the unexpired term of such contracts from the 15th August, 1950.

(22) "The Province further agrees to pay to all personnel employed by the Province at the time of signing this agreement and subsequently employed by the Royal Canadian Mounted Police as a result of this Agreement, or any other agreement related thereto, an amount, by way of separation allowance, equal to any loss in pay and allowances as from the date of this Agreement and March 31, 1952, as determined by the rate payable by way of pay and allowances receivable from the Royal Canadian Mounted Police at the time of employment and the rate of pay and allowances actually paid by the Province immediately prior to that time."
